Alvanon introduces the new Women's Intimate/Swim AlvaForm. This form was specially designed for the Intimate and swimwear industries. By combining industry needs with our expertise in shape, balance and sizing, this is the ultimate tool for creating and evaluating fit for Intimate and swim styles for today's market. This form is available in the full torso style with a widened crotch for ease of fitting bottoms; you have the option of having it freely stand on a table top or hang from the included full form stand. It is constructed of a premium soft memory foam that is 15% softer than our standard soft form for a more realistic evaluation of fit with compression-type fabrics. The forms are offered in traditional industry sizes 34B, 34C, 36B and 36C.
