### Introduction to this Series

The Women's Intimate/Swim AlvaForm is an Alvanon Specialty AlvaForm. This form is uniquely designed for and is the ultimate tool for creating and evaluating fit for intimate and swim styles for today's market. This form is available as a full torso style with a widened crotch for ease of fitting bottoms. It is constructed of a premium soft memory foam that is significantly softer than our standard soft form for a more realistic evaluation of fit with compression-type fabrics. It can stand freely on a table top or hang from the included form stand.

The Chinese Intimate / Swim Form is designed for a Chinese demographic.
