- = Classic Make
- = Soft Make

## Introduction to this Series

The Women's Intimate/Swim AlvaForm is an Alvanon Specialty AlvaForm. This form is uniquely designed for and is the ultimate tool for creating and evaluating fit for intimate and swim styles for today's market. It is constructed of a premium soft memory foam that is significantly softer than our standard soft form for a more realistic evaluation of fit with compression-type fabrics.

The Chinese Intimate / Swim Form is designed for a Chinese demographic.
