HOW TO INTERCHANGE THE HEAD ADAPTORS

Step 1

Pull out and hold the metal ring, then remove the top head adaptor.

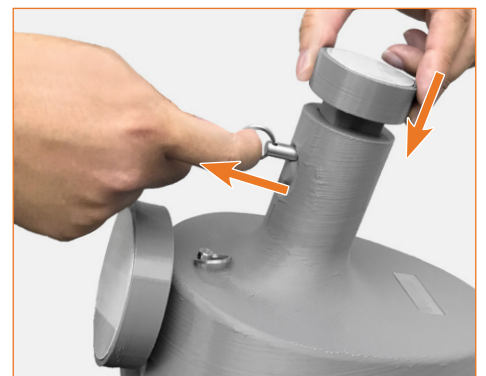

Step 2

Pull out and hold the metal ring to remove the back head adaptor.

Step 3

Install the head adaptors by pulling out and holding the metal ring. Always install the unused head adaptor at the back on the stand to avoid misplacing it.

NOTICE

Ensure that the head adaptors are correctly installed. The metal rings should not be sticking out of the stand.
