FORM MAKE

Classic Form

The Classic Make is the traditional, industry-standard dress form. A hard internal shell covered with two layers of cotton ribs. The outer layer is finished with the highest quality linen and cotton blend fabric. This make is best suited for frequent fit sessions.

Soft Form

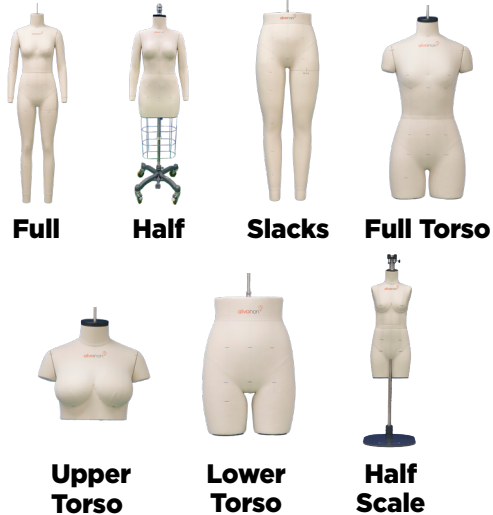

The Soft Make is built on an internal skeleton, filled with memory foam, and wrapped with a fusible stretch linen and cotton blend fabric. It simulates the feel and properties of soft human tissue. It is ideal for designing tight fitting clothing and undergarments.

Tailor Form

The Tailor Make is a versatile alternative to the Classic Make. It is made of an internal shell, covered with a thick layer of felt, and topped with the highest quality linen and cotton blend fabric. This Make is ideal for brands who drape everyday. It is only available as a Customize Form.
